Livestock Compensation Program

Sign-up continues for producers with livestock to compensate for feed losses that occurred in 2005 or 2007. You will need to know the number of adult and non-adult, (500 lbs. or more) cattle that you had on hand for either Feb. 1, 2005 or Feb. 1, 2007. The calculation for payment will be based on your greater number of head for that particular year. If you have signed up for 2005 and your herd increased by Feb. 1, 2007, you will need to re-apply. Your payment will be on the additional number only.

Tobacco Payments

The 2008 TTPP payments will be made by January 31, 2008. All payments will be by direct deposit. (If contract holder is deceased, please notify FSA office as soon as possible.)
